Called to order at 6:36 with about 50 people present.

Program chair, Dottie Howland, pointed out the centerpieces which reflect many of the programs we've had this year. Each table was asked what their centerpiece represents. After a blessing, dinner was enjoyed by all.

The annual meeting was called to order at 7:20 by Jackie Walker, President.

Summaries of the following officers and committees were read. President, Vice President, Treasurer, Property/Grounds, Homecoming/Garage Sale, Archives, Advertising and Gift Shop, Newsletter and Grants, Programs, Home Tour

Gates Hall Fundraising: Jackie discussed the following needs for GH: Handicapped accessibility, roof and mezzanine need additional support. Updated A/C would be a plus.
