May-June 2022

Volume 12, Issue 3

## *From Your President*

As we celebrate a long-awaited season, we remain hopeful that those April showers soon bring May flowers! We look forward to history repeating itself, blessing us with a bounty of colorful apple, peach and cherry blossoms which traditionally dot our landscape in mid-May, and the soon-to-follow beauty of blooming flower gardens.

Along with warmer weather comes a host of opportunities for everyone. While regrettably it was necessary to again pause our popular and many decades old annual Pultneyville Homecoming Celebration due to the lead time required to ensure its success, plans are well underway for a variety of events and activities this year as we rebound from COVID. Like all not-for-profits, W-PHS continues its work in an effort to regain the momentum we once enjoyed.

To date, 2022 activities include:

✓ In **April**, many of our volunteers again volunteered with the **Raise A Glass Foundation at the Great American International Wine Competition**. In turn, W-PHS will receive a donation of wines and craft beer to be sold at our fundraisers in 2022, which will soon be announced. Our sincere appreciation to the Raise A Glass Foundation for its generosity and to our volunteers who make this possible.

✓ W-PHS is delighted to once again have the opportunity to participate in the annual **Day of Caring 2022** on **Thursday, May 19**, at which time volunteers from participating businesses will join W-PHS volunteers to spruce-up our buildings and grounds. Many hands do make light work and please know that we encourage all to volunteer. We

value your participation and are grateful for as few, or as many, hours you can give. We hope to see some new faces this year as we are behind with maintenance due to Day of Caring being paused for the last two years due to COVID. If interested in volunteering, please call **315.589.9892** to leave a message, and we will get back to you with details.

✓ We are excited to announce that **W-PHS Programs** will resume on **Wednesday, June 1**, after a two year hiatus. Please plan on attending and enjoy learning about the **Wayne County Bicentennial** planned for 2023. The program will include presenters from both our County and our Town Committees. This program will be at **Gates Hall at 7pm**. Future programs will be announced in our July/August Newsletter.

✓ Our 2nd annual **“Golf for Gates Hall”** Tournament is scheduled for **Monday, June 6**, at Sodus Bay Heights. We hope that you will participate as a sponsor, golfer or diner! Details are included in this newsletter.

✓ On **Saturday, June 11**, Sue-Janes Evans will be one of four knowledgeable speakers talking about the Underground Railroad in our area at an event presented by the proposed Lake Ontario National Sanctuary Advisory Council from **2-4pm at Gates Hall**. All are invited to attend this 4th lecture in a 2022 Winter/Spring Lecture series. Details are included in this newsletter.

✓ Our house and exhibits will open to the public on **June 17<sup>th</sup>** featuring two new exhibits about the prominent Ledyard and the Lockley-Glad families. Volunteers are needed for Friday, Saturday and Sunday afternoons to welcome visitors and share information about exhibits. To volunteer, please call **315.589.9892** or contact Sue-Jane Evans.

*(Continued on page2)*

*(Continued - From Your President)*

✓ On **Saturday, September 17**, W-PHS will again sponsor its annual **Community Garage Sale** at homes throughout the area and vendors in Centennial Park. Stay tuned for details regarding this important W-PHS fundraiser and opportunity to volunteer and shop!

While the W-PHS Board of Trustees continues its work behind the scenes to conduct business which sets the stage for continued growth necessary to support the maintenance and improvements of our properties, we also offer opportunities for member involvement and experiences for enjoyment. On behalf of the Board, it is my pleasure to *Thank You* for your past and continued support which makes all things possible.

*Regards,*

*Nan*

*Nanette Peters Hance, President*

## Call for Volunteers!

Soon there will be balmy days along the lakeshore and visitors may be exploring our community. W-PHS needs YOU to help them appreciate the area.

The W-PHS House will be open Friday, Saturday and Sunday afternoons from June 17 through Columbus Day weekend from 1:00 until 4:00pm. On each of those days we need volunteers to welcome visitors. There will be new exhibits to enjoy and details to discover in the ongoing displays.

Did you have an opportunity to read the story of World War I soldier Kenneth Orbaker last year? Are you intrigued by some of the families who have influenced the community through much of its history? Sharing these exhibits with other visitors is a great opportunity to review them yourself. The Exhibits Committee will be happy to provide information and training if you are willing and interested. The duties are not onerous. We need to welcome those who come and share with them the things we enjoy about our community. Your help will be a valuable addition.

Please consider your calendar and contact:  
Sue-Jane Evans at [sjkevans@mail.com](mailto:sjkevans@mail.com)  
or 315.589-8422.

## Raise A Glass Foundation Thanks W-PHS

On the weekend of April 23<sup>rd</sup>, many W-PHS members were able to donate their time and glass washing expertise to the Raise A Glass Foundation at the Great American International Wine, Spirit and Cider Competition for the second year in a row. Also, back in February, our volunteers worked at the NYS Craft Beer Association's Competition which is run by Raise A Glass as well.

Those who've participated were Georgia Stevens, Terry Sutherland, Linda Perkins, Sandy Zeman, Lynda Parmelee, Betty Morley, Larry Kilbury, Anita Henry, Florence Doyle, Maria Ehresman, Diane and Dave Drennan, Kathy Fedick, Charlotte Buehler, Sue-Jane Evans, Dan Montondo, Dave Frohlich, Amanda Fox, Deb Parts and Laurie & Reg Everdyke.

Over the course of the weekend, more than 7,700 glasses were washed. so needless to say, Raise A Glass was grateful for the help! By volunteering, W-PHS, in turn, is given excess beer and wine from the competitions (go to [www.raiseaglassfoundation.com](http://www.raiseaglassfoundation.com) for more info on how it works) to use in fundraising.

Through last year's participation, W-PHS was able to raise about \$7500 by selling the donated craft beers at garage sale and donated wines, along with wreaths, baked goods, and raffle baskets at our "Get your Holiday Jingle On" event. Thank you to all the members who came and supported us at those sales. Mark your calendars for the **2nd annual Jingle event on Saturday, November 5<sup>th</sup>**.

## HISTORICAL FACTS

While the purpose of W-PHS Board Meetings is to conduct the business of the Society, each meeting begins with a focus on local history to remind Trustees of our important mission which is in part, to protect, preserve and share local history. We hope that our newsletter readers and social media followers also enjoy these Historical Facts which are shared by Board members at each meeting on a rotating basis. Hopefully, they will give clues to questions that could surface in our *Local History Trivia Nights* planned for **2023** which are intended to inspire community involvement in exceptional W-PHS educational experiences which make history come alive.

### W-PHS HISTORICAL FACTS

Because there will be a Ledyard exhibit in 2022 at the Williamson-Pultneyville Historical Society, the following historical fact relating to the Ledyard family and our postal history was shared at the W-PHS Board meeting on March 28<sup>th</sup>.

FACT: Samuel Ledyard was appointed Pultneyville Postmaster on February 7, 1814, when Pultneyville was still part of Ontario County. The location of the Post Office, at that time, was in a log store/warehouse building situated on the beach. Ledyard was the 3rd Postmaster appointed for the Pultneyville Post Office.

FACT: Mary Holling was the first woman to serve as a Pultneyville Postmaster. Beginning February 20, 1885, she served for 3 months and 20 days when the Post Office was situated in the Captain Throop home, which is situated on what today is known as Washington Street.

# Save the Date!

**Day of Caring is back** and **May 19<sup>th</sup>** is the date. Come for an hour, come for the day, or anything in between, and you will be helping the W-PHS properties get ready for 2022 visitors. This event happens rain or shine and there will be plenty to do either inside or outside. We get started around 8:30am and are usually winding down around 2pm. There will be coffee and goodies to get you started and lunch to keep you going. All you need to bring are your favorite work gloves and tools for outside work. For inside, the cleaning tools will be provided. The most grateful thanks from all those who visit will be your reward!

Spring bulbs are beginning to bloom – snowdrops and crocus – as I write, with tulips and daffodils soon to follow. The gardening group began raking, stick pick up and pinecone wrangling on April 12 so that mowing can begin in May. We will plan on planting annuals on Day of Caring, as well as any other divisions of perennials or summer bulbs that come our way. We want the grounds to be extra vibrant for the Wayne County Bicentennial, and of course, for this year as well.

Come and join us any Tuesday from 9-10am, weather permitting. It's amazing how much can be accomplished in just an hour when we have a group. Chatting and working makes the hour fly by—just bring your gloves and tools, we'd love to see you!

*Many Thanks,  
Lynda Parmelee*

Bright smiles are testimony that the garden crew was eager to spruce up gardens and get the lawn ready for mowing!! A brisk breeze, bright sun and a beautiful blue sky made our first day of work delightful! Sweetie joined in to help, and in short order, the Williamson-Pultneyville Historical Society House gardens and lawn were shipshape!

## ***In 1892 Community Subscribers Committed \$2,637\* to Gates Hall \*\$83,314 in 2022 Purchasing Power***

In 1892, members of the Pultneyville community came forth to provide stewardship for Gates Hall (formerly Union Church, Village Hall). The original 1892 document states, “We the subscribers each agree to pay the sum which are set opposite our respective names for the purpose of repairing refitting and changing the Union Church in Pultneyville into a Village Hall to be used for religious political and other meetings and purposes not of an immoral nature.” In total \$2,637.03 (\$83,313.92 - 2022 purchasing power) was pledged <sup>(1)</sup>.

One subscriber, Mary J. Gates gave \$1,000 (\$31,594 - 2022 purchasing power) <sup>(2)</sup>. Mary was obviously a very generous woman, but she knew what she wanted. In the document she noted the following: “I will give to the Union Hall association for the purpose of rebuilding and refitting the old Union Church into a Union Hall One Thousand Dollars on the following conditions - Viz. That if said association adopts a plan with a basement to said Union Hall. They shall raise a sufficient sum of money out side of the present subscriptions to cover the extra cost of said basement with all its fixtures + before commencing the work.” Today, we know this building as GATES HALL, in honor of Mary J. Gates.

In November 1945, members of the community came forward again with, “We, the undersigned promise to pay the sums set after our names as a contribution toward the needed repairs on Gates Hall.”

Williamson and the surrounding community has a long *history* of coming together to join forces and resources to maintain and preserve GATES HALL as a community treasure. It resides on the National Register of Historic Places and proudly bears the well-earned designation as the oldest active continuously operating small community theatre in the nation.

Please enjoy the photographs on the following page of these 1892 and 1945 historic documents that reflect the generosity and spirit of the community to maintain and preserve GATES HALL through the years. Williamson-Pultneyville Historical Society (W-PHS) maintains these original documents in a safe deposit box at a local bank.

***W-PHS, as faithful stewards of this historic property, appreciates the support of the community as we undertake various endeavors to maintain and preserve GATES HALL. Please consider a first time donation or a 2022 contribution via our link [www.w-phs.org](http://www.w-phs.org) or using the form included in this newsletter (page 9) to provide support for preserving Gates Hall.***

For the first few decades of W-PHS existence we were the Pultneyville Historical Society and as a result we have over a thousand photos of Pultneyville, hundreds of photos of Williamson, but only fewer than two dozen of East Williamson. Here are a few of examples with the hope that it will inspire members that have photos of East Williamson to donate them to the society.

## OH, PHILLIP - PHILLIP, PHILLIP, PHILLIP!

By Irene Bierer

Said to be a Frenchman, **Philippus Jacobus Brusin**, born in Belgium in 1771, migrated from there to the Netherlands. Little could he have known of the myriad ensuing variations which would alter the spelling of his last name, let alone the welcome contributions of his descendants to life in the Town of Williamson in the new country about to become the United States of America.

He happily married a Dutch girl, Maria Dirks, and started a family. His life was not long, however, and he died when his little boy was only eight years old.

With thoughtful regard, he had named his son  
**Philippus Jacobus**, in 1797

Philippus Jacobus Bruzijn married twice, right there in the Netherlands. Josina mothered his first three children, and Susanna mothered four more. Both of his wives predeceased him. Whether it was wanderlust, family unity, or looking for a better life, he ended up emigrating at the age of 50. He ventured along with his son and daughter-in-law when they left for a new life in the woods near Lake Ontario.

With thoughtful regard, he had named his son  
**Philip Jacob**, in 1822

Phillip Jacob Bruzihn, born in Zuidzande, Netherlands, married Maria DeKan in 1847 and hastily emigrated the very first week after their wedding, an even greater distance than his grandfather's trek from his birth land - *with his father in tow*. Not exactly a honeymoon!

Having gathered up both his father and his brand-new wife, he relocated right here on the Salmon Creek Road.

With the surname altered (for the last time) to Berzine, Phillip bought 66 acres of property with his cousin, Henry Isaac VanEenwyck. After a few years of clearing the land, building life's accommodations, and making the acquaintance of others around, Philip was known for his ability to quickly learn almost anything.

He would visit neighbors, attend church, and go anywhere he could to better facilitate expanding his new language. As his adaptive qualities became well known, he became more and more entrenched in his new chosen way of life, determined to make an intentional difference. In fact, when he was recruited to be in charge of a barn raising, Phillip was like a dog with a bone, as he launched himself right into the task with pride and joy.

Tragically, he was supervising the proper placement of a timber beam directly over his head, when it slipped from the hands of the men who were setting it into place. It was a mortal blow. After a day and a night of suffering, he succumbed in that cold November of 1852, at the age of thirty years.

*(OH, PHILLIP - PHILLIP, PHILLIP, PHILLIP! Continued)*

Mary DeKan Berzine was left a widow with three children, a paralyzing reality. *His youngest son was but one month old.*

With thoughtful regard, he had named that son  
**Philip Jacob**, in 1852

The die was cast. Their young mother quickly married her husband's cousin, Henry Isaac VanEenwyck. Four half-siblings were born to this union, and Philip gained learning in the carpenter's trade from his step-father. Both he and his year-old brother developed great senses of purpose and responsibility.

This enterprising youth grew to be admired as a carpenter and a man of experience in moving buildings (such as the Presbyterian Church!). But, that's not the whole breadth of his skills and creativity. He was steadfast in his resolve to develop the utmost of manly capabilities, as his father before him had endeavored to achieve.

As an inventor, he earned a United States patent for an implement to benefit his fellow rural inhabitants. Witnessed by both Washington S. Throop and Philander B. Roys, his application for this patent was for an improved vegetable slicer, filed in 1879 and granted in 1880. In the description of the device, he wrote that it has for its object the construction of a simpler and more effective machine, which can be cheaply manufactured. His father, and ancestral line, would have been beaming with pride, as was the whole town!

Phillip had thrived in a full and successful life among family and neighbors when he died in 1922.

He fathered a son, and with thoughtful regard, he had named him  
**James!**

William Waters and his wife in Nebraska

## The Waters Family By Cherie Kline

Chip Stevens is a descendant of both the Cornwall and Waters families in Pultneyville. Recently he shared a family photo album with W-PHS. While most of the photos are studio portraits, one was not and caught my attention. It prompted an effort to piece together a family story. I appreciate Chip providing some family details to fill out and confirm the story.

The photo is faded, but one can make out that a man and woman are on the front seat of a covered wagon with a sod house in the background. William H. was the oldest son of Zimri and Alice Brewer Waters. He was named for his grandfather William, who had immigrated from England with his wife, Mary Sampson Waters, in 1806 and established a farm along the lakeshore.

Like his grandfather before him, William H. likely took advantage of an opportunity to acquire and settle his own land. The Homestead Act of 1862 allowed settlers the opportunity to acquire possession of 160 acres free and clear by working it for a period of 5 years.

William and his wife, Helen Hill Waters, traveled to Nebraska in the late 1870's. At the time, sod houses were initially the best option for shelter on the prairie. Whether they built or acquired a sod home by that period, this was still the frontier. Sadly, Helen died in 1879, presumably related to childbirth, as their daughter, also named Helen, was born that year.

The 1880 Census for Williamson captures the Waters family in Pultneyville: Zimri and Alice's younger son, George, is head of the household which includes his mother, Alice, now widowed, George's uncle, William, age 67, and Helen, age 1. Helen's father, William H., is not recorded as living there.

By 1882, William H. has remarried and taken Helen back to the mid-west, this time to settle in South Dakota, where the family apparently flourished.

## Wayne County Bicentennial Updates By Gene Bavis

If you have access to a computer or even a smart phone or tablet, you can read the official newsletter of the Bicentennial online. Produced by Patti Holdraker, they are called “Bicentennial Bytes and Updates.” We publish them at least once every other month or sometimes monthly. Here is that link:

<https://web.co.wayne.ny.us/544/News---Bicentennial-Bytes>

Now to the latest news:

The first posting of **Bicentennial Minutes** was made on April 6. There will be 52 of these short videos posted on YouTube and social media. Soundbites have been sent to WACK radio and press releases to the local newspapers. *The Times of Wayne County* will be publishing them all on their history page. Tentative publication dates are posted on the website:

<https://web.co.wayne.ny.us/DocumentCenter/View/4047/Bicentennial-Minutes-Publication-Dates-PDF>

Seven of the **Town Rack Cards** have been completed thanks to the design expertise of Amber Linson. Huron and Walworth have been printed and the others are going to press very soon. Amber also designed two topical cards, one about the Fox Sisters and Modern Spiritualism and the other about Cobblestone Masonry. These will be distributed **FREE** of charge at events around the county. More to come.

Please follow the Bicentennial’s daily posting on **Facebook & Instagram**. LOTS of interesting stuff there! Visit the Bicentennial-Bytes website for more information.
