

**Lou Martino**  
**Candidate for Treasurer**

Lou moved to Pultneyville in 2020 with his wife Darlene. They currently live on Hamilton Street and are active members of W-PHS.

Lou has been employed for the past 8 years as Chief Financial Officer at Wayne County Action Program in Lyons. Before that, he was Director of Finance at Rochester Childfirst Network in Rochester. Both of these positions involved developing multimillion dollar budgets, cash management, grant accounting and reporting, and supervision of staff, among other responsibilities.

Lou has also served several community service positions of note, including acting as Treasurer of Rochester AEYC and supporter for various fundraisers for Pines of Peace Hospice in Ontario.

We truly appreciate his interest in the W-PHS Board position of Treasurer.
