GOLF FOR GATES HALL

SPONSORSHIP LEVELS

GOLF FOR A PURPOSE on June 5th with the Williamson-Pultneyville Historical Society (W-PHS) at its 3rd Annual "Golf for Gates Hall" Tournament. This charitable event supports historical society efforts to sustain and maintain this prominent Pultneyville landmark which resides on the National and State Registers of Historic Places. Proceeds from the tournament ensure ongoing improvements necessary to preserve the structural integrity of historic Gates Hall.

Given the generosity and support of golfers and sponsors, "Golf for Gates Hall" proceeds continue to be used for on-going improvements that recently included plaster repair and the painting of the interior of the Hall. With Phase I and II capital projects of a multi-phase restoration plan completed to stabilize the building, 2023 tournament proceeds will help to support Phase III of the Gates Hall preservation plan to replace the current outdated and failing boiler, which has reached the end of its life, with an energy-efficient HVAC system.

Thank You for your support which makes such improvements to Gates Hall possible and helps to hold its place in history. Built in 1825, the hall today proudly bears the distinction as the oldest, continuously active small community theatre in the United States.
